Yes I Elect This Option  

### Electronic Billing

If you elect, you can be billed monthly by credit card by PayPal. There is a 4% (equal to \$1.00) charge for this service, making your regular monthly payment \$25.95.

Yes I Elect This Option   (required credit card information below)

### Payment Frequency

The client is responsible for paying the required monthly hosting fees once every 30 days using one of the above provided methods of payment. The billing cycle is typically 30 days and billed on the 30<sup>th</sup> of every month unless electronic billing is selected. If electronic billing is selected as a payment option then the billing cycle would be every 30 days from the first date of invoice billed to your selected credit card.

### Payment Delinquency

If payments are not paid in accordance with the payment frequency for this service, after a period of 60 days the service will become unavailable and the client will be responsible for all related services fees; including but not limited to monthly hosting fees not yet paid (equal to the 60 days the service was unpaid) plus \$9.99 for every 15 days the regular service fees are delinquent.
